

## 10<sup>th</sup> DUTCH KINKS FAN MEETING

Dear Kinks-Fan,

Almost two years after the last edition, on the last Sunday of April, we organize the 10<sup>th</sup> Dutch Kinks Fan Meeting. Again this will take place in the heart of our country, in rockcafé 'Stairway to Heaven' in Utrecht. Because it's 40 years after the release of the Kinks-LP 'Arthur Or The Decline And Fall Of The British Empire' the theme of this day will be '**Arthur - 40 years**'. In this newsletter you can read everything you need to know to be there. Don't miss it!

The Kast Off Kinks, with musicians who have played in The Kinks, will perform in a new line-up. Hopefully it will be a surprise party, because we're still talking with other possible special guests (!!!).

## FLAMIN' STARS

### The Kast Off Kinks 2 + support act

In 2007 bass guitar player **John 'Nobby' Dalton** and keyboard player **John 'The Baptist' Gosling** decided to leave The Kast Off Kinks. Their farewell gig took place in May 2008. For a short time we thought "That's it!", but fortunately it wasn't. In November 2008, during the meeting in London of The Official Kinks Fan Club, **The Kast Off Kinks 2** made their debut with bass guitar player **Jim Rodford** (in the Kinks since April 1978) replacing John Dalton and keyboard player **Ian Gibbons** (in the Kinks from June 1979 until April 1989 and after that since 1993) replacing John Gosling. Jim Rodford played in The Kinks during their last concert in The Netherlands ('Phobia'-tour) on July 1, 1993 in the Beurs van Berlage in Amsterdam. At that time Mark Haley played the keyboards. Later that year Ian Gibbons took over again. The line-up of **The Kast Off Kinks 2** is completed with 2 members of **The Kast Off Kinks**: drummer **Mick Avory** and lead guitar player/singer **Dave Clarke**.

Our 'house band' **Flamin' Stars** will again be the support act, a logical choice when you think of the enthusiasm that singer Paul van der Lelie and his band manage to excite with their strong versions of well known and less known Kinks-songs.

### **Music market-place, Official Kinks Fan Club, 'Kinks Fan Of The Year' and raffle**

- Beside the live-shows there will be a small music market. A great opportunity to level up your record collection.
- Aren't you a member yet of the one and only (British) Official Kinks Fan Club? During this day you will have the opportunity to become a member of this fan club.
- Curious who will become 'Kinks Fan Of The Year 2009'? Come to Utrecht on April 26 and you will find out.
- Proceeds of the raffle go to the Dutch Childhood Oncology Group.

### **Looking forward to a Kinks-day?**

Avoid disappointment and ensure yourself of a ticket as soon as possible. We expect that a lot of fans, not only from The Netherlands but also from other countries, would like to see The Kast Off Kinks 2. And in the meantime it's no secret anymore that we're doing our very best to turn this 10<sup>th</sup> edition of the Dutch Kinks Fan Meeting into a very special event (!!!). By order of the firebrigade the maximum number of people in 'Stairway' is 450 and the last 2 meetings attracted over 400 visitors.

**Tickets are € 22,50**  
**Send an email to any of the board members below**  
**and we will reserve your ticket(s).**  
**You can pay for the ticket(s) on April 26, 2009 in 'Stairway To Heaven'.**
